

MAKING A STATEMENT

Our Shared Jewish Values And the Impact We're Making Together

In every generation, our community is strengthened by those who give not only with generosity, but with purpose and heart. We are deeply grateful for the role you play in sustaining Jewish life and ensuring that our shared values are reflected in meaningful action. It is because of your partnership that philanthropy at JCF is more than giving; it is a powerful expression of who we are and what we stand for.

At the Jewish Community Foundation of Greater MetroWest NJ, we believe philanthropy is most meaningful when it reflects our shared Jewish values. Your generosity brings our core values of *tzedakah*, *tikkun olam*, and *chesed* to life every day, strengthening Jewish life locally, across Israel and around the world.

Together these values shape how we advise, recommend, and steward grants, always prioritizing impact, community needs and Jewish peoplehood.

We are proud to share that 84% of the total \$57 million in JCF grants in 2025 went to Jewish organizations. This reflects your commitment to strengthening Jewish life and ensuring our community's resilience, today and for generations to come.

Thank you for trusting JCF as your partner in values-driven philanthropy. If you would like to discuss how your fund can further advance these priorities in Greater MetroWest, Israel, or globally, our team is here to help.
