WHY CHOOSE THE JEWISH COMMUNITY FOUNDATION OF GREATER METROWEST NJ?

Maximize your impact as a philanthropist while investing in your Jewish community. The Jewish Community Foundation of Greater MetroWest NJ (JCF) can help you do the most good with your charitable dollars right now and establish a legacy that will let you continue to support the causes you care about in perpetuity.

JCF is among the top ten Jewish community foundations in North America, and the largest community foundation of any size in New Jersey. We have more than \$470 million in assets, and more than \$80,000 million in future commitments. Our philanthropic advisors provide donors with personal, professional service with a Jewish touch.

We make it easy to give effectively—and strategically. You may have great ideas about how to use your philanthropic dollars but don't have time or interest to manage the work that's involved. We'll take care of the administrative details, research, partnership-building, site visits, and impact assessment. Our extensive knowledge of the local, national, and international Jewish community is at your fingertips, and the latest technology equips you with secure, innovative tools that simplify the donation process. Our experienced, responsive staff is ready to support you and your charitable giving interests. We're always available to answer your questions and address your concerns.

We can help you involve your family in your philanthropy. We know that donors not only want to make a difference today—they aspire to make enduring change. We can help you craft a clear vision and mission based on your values, make well-informed decisions, and assess the effectiveness of your giving. We specialize in facilitating rich and meaningful conversations with multiple generations, engaging children and grandchildren in values-driven philanthropy.

We're entirely flexible. We'll help you choose the right vehicle for your philanthropic dollars, whether it's a donor advised fund, an endowment for the UJA Campaign, or another program. If you give directly to JCF, you can rely on us to steward your dollars to meet the needs of the Jewish community. We offer scholarship funds, specific issue funds, designated agency funds, and other special projects. We accept a wide range of assets. There's no limit to the ways you can give, and we'll help you understand all the available options.

We'll respect your preferences. You and your family may choose to enjoy public recognition or remain anonymous.

We'll help you maximize your tax benefits. JCF is a public charity. Every fund created here qualifies for the maximum charitable tax deduction permitted by law. We'll make sure you get the best tax advice and benefit from the most advantageous tax rates.

We care about the same things that you do. Like you, we're part of the Greater MetroWest Jewish community. We invest JCF's assets to provide support for the community's current needs and to preserve charitable resources for use by future generations.

We have experience, and we get results. JCF has earned a reputation for integrity and service. We've served the community since 1949, and we currently manage more than 850 funds for individual, family, and foundation donors. By bringing philanthropists together with nonprofits and developing strategies that maximize social return on investment, we deliver clear outcomes and report back to you on our progress. It's why so many Greater MetroWest Jewish philanthropists trust us with their assets.
