

You Can Make a Gift You Never Thought Possible

Have you ever looked at a 'donor wall' in your synagogue or JCC or other Jewish agency and wished your name could be on it, or could be in a bigger leaf or higher up on the tree? Most of these displays are for gifts that were paid right away or within a few years.

Many people don't feel they can make their ideal gift today, or this year, or even this decade. What about summer camp, the mortgage, college, medical bills, vacations? What about the things you can't anticipate and need to save for?

Imagine your name on a beautiful display that lists all donors as equals, regardless of the size of the gift. Now imagine that you didn't have to write a check or give a credit card number in order to be recognized for your vision and generosity!
